LOBSTER LOVERS has been one of the most important fundraisers for Boys & Girls Clubs Big Brothers Big Sisters for over 20 years. With the help of a caring and loyal group of sponsors, attendees, and supporters, Lobster Lovers has become a fun and casual evening where companies and groups of friends come together to enjoy a night of East Coast delicacies and good company all while making a difference in their community.

BOYS & GIRLS CLUBS BIGS BROTHERS BIG SISTERS is a charitable non-profit organization that provides safe places and positive relationships for children and youth in Edmonton and the surrounding areas. Through mentoring and Club programs, BGCBigS helps kids and youth access the tools they need to do better in school, make good decisions, become active members of their communities, and feel confident and proud of who they are. In 2016 over 5,000 children and youth found hope through our programs. Together, we are building the capacity of our young people so they may have brighter futures. We hope you'll join us in this work.
