Fundraising for the Future of Children and Youth

Last year, Boys & Girls Clubs Big Brothers Big Sisters of Edmonton & Area (BGCBigs) served nearly 5,600 children and youth.

Because of your support, 5,600 kids will be reminded of their potential, and that they CAN succeed and build amazing futures. They will know what it means to be cared about and supported. They will receive hot meals, homework help, learn to swim, play soccer with their friends, sing out of tune with confidence, deal positively with being bullied (or stop from becoming one), learn English, meet a professional football player or a million other things that will help them become the best they can be.

This work cannot be accomplished without the financial support of people like you.

BGCBigs is a donor-supported and volunteer driven organization. We rely on the creativity and passion of the individuals and corporations who support our efforts by hosting their own fundraising events.

Please help us change the lives of children and youth in our community.

Just \$365 will allow for the recruitment, screening, and training of one volunteer mentor.

By fundraising just \$1,200, you will give a child a place to go after school for a whole year.

What we do

Mentoring

The goals of mentoring include:

- Providing children and youth the skills and resiliency with which to achieve personal success;
- Providing increased accountability to peers, family, and community;
- Increasing high school completion rates and engagement in post-secondary education/training in order to create career competitiveness;
- Creating a sense of belonging and purpose in order to motivate and inspire success.

We know that children and youth with personal resiliency, strength of character, confidence, an understanding of the world around them and the opportunities available, and a solid sense of belonging, do better in every aspect of their lives. Mentoring strives to assist in the development of these characteristics.

Commissioned Study – Big Brothers Big Sisters of Canada: Research confirms that children with a mentor are significantly more confident in their academic abilities and considerably less likely to develop behavioural problems. One standout finding is that girls with a Big Sister were four times less likely to bully, fight, lie, or express anger than girls without a mentor.

The study also found:

- Girls with a Big Sister are two and a half times more likely than girls without a mentor to be confident in their ability to succeed at school.
- Boys with a Big Brother are three times less likely than boys without a mentor to suffer peer pressure related anxiety, such as worrying about what other children think or say about them.
- Mentored boys are two times more likely to believe that school is fun and that doing well academically is important.
- Mentored boys are also two times less likely than non-mentored boys to develop negative conducts like bullying, fighting, lying, cheating, losing their temper or expressing anger.

Clubs & Group Programs

In addition to location based Clubs, BGCBigs offers a variety of recreational and academic clubs across the city. Club programs support the healthy development of children of all ages by fostering a sense of belonging, personal empowerment, achievement, and self-confidence.

Club programs are mainly offered during the after-school period between 3:30PM and 8:00PM. This is when young people, if left unsupervised, are at highest risk of becoming victimized, or drawn into negative or criminal activities. Our programs provide opportunities to develop the skills and knowledge kids need to reach their full potential.

In addition to the fundamental benefit to children and their families, after-school programs support children's development in physical, social, emotional, cognitive and psychological domains.

Specific and demonstrable outcomes include:

- Reduced incidence of behavioural problems, including decreased risk of early alcohol/drug use and sexual activity
- Decreased involvement in violent behaviour and reduced risk of committing an offence
- Increased development of social skills, interpersonal skills, self-esteem, confidence and self-efficacy
- Increased awareness and knowledge of healthy practices including nutrition, the effects of substance abuse, and sexual health
- Increased levels of physical activity and improved body image
- Better attitudes towards and increased commitment to school; improved academic achievement

Obtaining a Raffle Licence

According to the Alberta Gaming and Liquor Commission, a raffle is a lottery scheme in which prizes are awarded based on a random draw of tickets purchased by players. Only licensed charitable or religious organizations can conduct raffles.

If the following three elements are present, a raffle licence is required:

- Tickets are sold (consideration)
- Random chance to win (chance)
- Prizes are awarded (prize)

Some common examples of raffles requiring a licence are:

- 50/50 draw
- Prize draw
- Football squares

If any of the three required elements (consideration, chance, and prize) is not present, the contest or draw may not require a licence. For example, the following do not require a raffle licence because skill is involved, rather than a random chance to win:

- Silent auction
- Jellybean counting contest
- Hole-in-one putting contest

BGCBig is eligible to obtain a raffle licence for a total ticket value of \$10,000 or less. BGCBig will supply your event with a raffle licence provided you have given us the following information at least 15 days prior to your event:

- Draw format (i.e. 50/50, prize draw, etc.)
- Draw date
- Draw location (i.e. Hotel Arts, Calgary)
- Ticket colour
- Unit price (i.e. 1 ticket for \$3, 3 tickets for \$5)
- Ticket quantity
- Total value of raffle (amount must not exceed \$10,000)
- Prize description(s)
- Retail value of each individual prize

To request a raffle licence, please contact the Development & Communications department by phone at 780-860-2561 or by email at development@bgcbigs.ca.

Tax Receipting

What will BGCBigS provide a tax receipt for?

BGCBigS adheres to the Canada Revenue Agency (CRA) Income Tax Act when issuing charitable tax receipts. To learn more about charitable tax receipts, please visit <http://cra-arc.gc.ca>. Issuing inappropriate charitable tax receipts can put our charitable status in jeopardy.

Under CRA guidelines, a “gift” is a:

Voluntary Transfer of Property with a conscious desire to make a gift (as distinguished from giving something for nothing by mistake or under pressure).

- Voluntary – given of free will (not compelled, not court ordered, etc.)
- Transfer – from donor to charity/qualified donee (complete transfer)
- Property – cash or gifts in kind (not services)

BGCBigS will provide a tax receipt for the following:

- Direct personal or corporate donations of \$20 or more
 - In-kind donations where fair market value is easily determined
 - Tickets (sporting events, theatre, ballet, etc.) where the value is either noted on the ticket or a payment receipt is provided.
 - Air miles or payment of flights (again, proof of payment must be provided)
 - Gifts of artwork provided the artwork has been appraised by a third party appraiser – appraisal must be included with the donation
 - Gifts of shares
 - Bequests
 - Life insurance premiums
 - Monthly donations (donor will receive one cumulative income tax receipt at the end of the calendar year)

The complete name, addresses and phone number/email of the donor must be provided for BGCBigS to issue tax receipts.

Boys & Girls Clubs

Big Brothers Big Sisters

Boys & Girls Clubs Big Brothers Big Sisters

Community Fundraising Handbook

BGCBigs cannot provide a tax receipt for the following:

- Gifts of promises or pledges (for example, gift certificates donated by the issuer, hotel accommodation)
- Payment of basic fee for an event
- Gifts where the value or benefit of the donation cannot be determined
- Lottery or raffle tickets
- Donations of services (time, skills, or efforts) or loans of property, use of a timeshare, or lease of premises
 - Donations of services will only be receipted when a 'cheque exchange' takes place. This means that the party who donated a service would invoice BGCBigs for the cost of the services. BGCBigs would then issue a cheque for the services. If the service provider should choose to donate these funds back to BGCBigs, then BGCBigs can issue a tax receipt for the amount of the donation.
 - Two distinct transactions must take place:
 - A person provides a service to BGCBigs and is paid for that service, and
 - That same person makes a voluntary gift of property to BGCBigs
- Funds or gifts in kind from another qualified donor (gifts from other registered charities, or non-profit organizations)
- Name of true donor(s) cannot be determined (for example, bottle collection from several parties, donation bins, etc.) – one person cannot benefit from gifts made by multiple donors
- Gift is directed to a specific person or family unless BGCBigs has already decided that person or family is the recipient of the charitable program and BGCBigs has full discretion to reallocate funds and the person or family is arms-length from the donor

- Rent-free space
 - One of the criteria for a gift is that there be a voluntary transfer of property
 - With rent free space or accommodation, no property is being transferred – instead, use of the building is being provided. Since no property is transferred, no “gift” is made and a tax receipt for the value of the loan of property cannot be issued
- Court ordered donations (donations made as a condition of parole)
- Gifts intended for another organization
- Donations of items for auction (unless pre- approved by BGCBigs)
- Sponsorships

Do I need any licences to host an event? (Raffle, liquor, etc.)

BGCBigs will assist the event organizers with raffle licenses. Please see the detailed information in *Fundraising Guidelines* (pages 7-9) and *Obtaining a Raffle Licence* (page 10). Any additional licenses required, including liquor licenses, are the responsibility of the event organizers. You must be able to provide proof of adequate licenses to BGCBigs, if requested.

If I have a silent auction at my event, how do I get items for the auction?

It is the responsibility of the event organizer to solicit for prizes to support your event. BGCBigs can provide a letter, to support your solicitation efforts. If you require such a letter, please email your request to development@bgcbigs.ca.

There are many ways to build your live and/or silent auction:

- 1) Donated Items – Draft a letter to send to various companies requesting items for your auction in support of BGCBigs.
- 2) Auction Houses – There are companies that hold inventories of items for silent/live auctions, such as sports memorabilia, music collectables, etc. You are typically only required to pay for items that sell and can return any items that don't. Reminder: Set minimum bids for these items to ensure that you are selling them for more than you are paying for them.
- 3) Purchased – You always have the option of purchasing items for the auction, however, the cost of these items are the responsibility of the organizer.
