## 2021 Sponsorship Package

This Golf Tournament has been one of the most important fundraisers for Boys & Girls Clubs Big Brothers Big Sisters for well over a decade. With the help of a caring and loyal group of sponsors, golfers, and supporters, this year's tournament will be a vital event to get our community back together as we navigate through the COVID-19 pandemic. Golf has become a physically-distanced safe activity during this challenging time to get out of their home office and enjoy the friendly competition of an 18-hole game of golf. We know the tournament may look a little different than in years past, but we will do our best to get details out to you as soon as we can based on Government of Alberta Guidelines as they are provided.

Boys & Girls Clubs Big Brothers Big Sisters is a charitable non-profit organization that provides safe places and positive relationships for children and youth in Edmonton and the surrounding areas. Through mentoring and after school programs, BGC Bigs helps kids and youth access the tools they need to do better in school, make good decisions, become active members of their communities, and feel confident and proud of who they are. Last year, over 4,800 children and youth participated in mentoring and after school programs. Together, we are building the capacity of our young people so they may have brighter futures.

Thank you! We know this past year has been challenging and we hope you'll consider joining us for a day in the sun (fingers crossed) as we continue to provide essential programs and services to our community's children and youth.
