About BGCBigS

Boys & Girls Clubs Big Brothers Big Sisters (BGCBigS) is a community-supported organization committed to the healthy development of children, youth, and their families by providing safe places, positive relationships, services, and opportunities to develop personal strengths and interpersonal skills that enhance their long-term success in life. BGCBigS

Mentoring and After-School programs seek to support vulnerable children and youth challenged by the impacts of poverty. The organization also works in partnership with other community organizations to develop and deliver programs geared to specific populations, such as the immigrant and refugee community, the Indigenous community, and other vulnerable groups (e.g. LGBTQ youth).

Why Partner with Us?

We know the last two years has been challenging for us all, but you have walked alongside us to show that supporting kids never stops, regardless of the obstacles that get thrown our way. As we navigate the ever-changing needs of our young people in a post-pandemic world, we know that we are there for each other no matter the circumstances. Now, more than ever, skills development, safe spaces, minimizing learning loss and positive relationships are so very important.
